

To whom it may concern:

My name is Brenda Coleman. I am now residing at the Katie Blair House. I am a recovering addict and alcoholic. I am very grateful for this opportunity to begin my life. First of all, let me tell you about myself. I come from an abusive background and ended down the road of disaster. I was fortunate enough to receive help from a treatment facility which was CVH the S.T.A.R. program in Middletown, CT. STAR stands for Sisters Together Achieving Recovery. That is what I'm achieving in recovery. I was fortunate enough to discover a place like the Katie Blair House. I truly believe that this is the place where I will regain my life, so that I may once again become

a productive member of
society once again. It is
truly an honor and blessing
for me to have this opportunity
to reclaim my life and
give to the community again.
I wish others could have
this chance at life like this.
This program at the State

Blair House is a God-sent
to me, and I would like
to do anything that I can
to support it and show
that it is truly needed.

Thank you for your time
and consideration

God Bless!
Brenda Coleman
